

6th International Symposium of CRC 900
13th - 14th October 2022, Courtyard Hannover Maschsee

Chronic Infections: Microbial Persistence and its Control

Preliminary Programme, last update 22.09.2022

Thursday 13.10.2022

Welcome

08.00 Venue opens: Registration and Coffee

09.00 **Welcome and Opening:** Thomas F. Schulz, Speaker of CRC 900

Session 1: Bacterial Persistence

09.15 **Sebastian Suerbaum**, Ludwig-Maximilians-University München, Germany

Introduction to Bacteriology within the CRC 900

09.20 **Xavier Didelot**, University of Warwick, UK - online

tba

09.45 **Sebastian Suerbaum**, Ludwig-Maximilians-University München, Germany

tba

10.10 **Burkhard Tümmler**, Hannover Medical School, Germany

*Airway infections with *Pseudomonas aeruginosa* in people with cystic fibrosis*

10.35 Coffee Break

11.00 **Christine Josenhans**, Ludwig-Maximilians-University München, Germany

tba

11.25 **Guntram GraBl**, Hannover Medical School, Germany

tba

11.50 **Sina Bartfeld**, TU Berlin, Germany

*Human gastric organoids reveal *Helicobacter pylori* tropism to differentiated pit cells dependent on chemotaxis*

12.15 Lunch

Session 2: Immune Responses during Chronic Infections

- 13.10 **Reinhold Förster**, Hannover Medical School, Germany
Introduction to Immunology within the CRC 900
- 13.15 **Adrian Hayday**, King's College London, UK
tba
- 13.40 **Immo Prinz**, UKE Hamburg, Germany / **Christian Könecke**, Hannover Medical School, Germany
tba
- 14.05 **Sarina Ravens**, Hannover Medical School, Germany
Tba
- 14.20 **Britta Maecker-Kolhoff** / **Britta Eiz-Vesper**, Hannover Medical School, Germany
tba
- 14.35 **Ann M. Leen**, Texas Children's Hospital, USA - online
tba
- 15.00 **Reinhold Förster** / **Martin Messerle**, Hannover Medical School, Germany
tba
- 15.25 **Heiner Wedemeyer** / **Markus Cornberg**, Hannover Medical School, Germany
tba
- 15.50 Coffee Break
- 16.20 **Luka Cicin-Sain**, HZI Braunschweig, Germany / **Ulrich Kalinke** Twincore Hannover, Germany
tba
- 16.45 **Melanie Brinkmann**, TU Braunschweig / **Stephan Halle**, MHH, Germany
tba
- 17.10 **Stephan Urban**, University Heidelberg, Germany
Tba
- 17.45 Meeting in Front of the Hotel, Bus Shuttle to the **Networking Event** at Wilhelm-Busch-Museum
- Ca. 19.30 **Conference Dinner** at the Courtyard Hotel followed by the **Evening Event**

Friday 14.10.2022

08.00 Venue opens

Session 3: Chronic Viral Infections

- 09.00 **Thomas F. Schulz**, Hannover Medical School, Germany
[Introduction to Virology within the CRC 900](#)
- 09.05 **Noam Stern-Ginossar**, Weizmann Institute, Israel
[tba](#)
- 09.30 **Thomas F. Schulz**, Hannover Medical School, Germany
[tba](#)
- 09.55 **Beate Sodeik**, Hannover Medical School, Germany
[A hitchhiker's guide through the cell – The world according to capsids of alphaherpesviruses](#)
- 10.20 **Martin Messerle**, Hannover Medical School, Germany
[tba](#)
- 10.45 Coffee Break
- 11.15 **Joeseph Marcotrigiano**, National Institute of Allergy and Infectious Diseases, National Institutes of Health, USA
[Entry of Hepatitis C Virus](#)
- 11.45 **Thomas Pietschmann**, Twincore Hannover, Germany
[tba](#)
- 12.05 **Thomas Krey**, University of Lübeck, Germany
[tba](#)
- 12.30 **Gisa Gerold**, University of Veterinary Medicine Hannover, Germany
[tba](#)
- 13.00 Lunch
- 14.00 **Abel Viejo-Borbolla**, Hannover Medical School, Germany
[tba](#)
- 14.25 **Christine Goffinet**, Charité Berlin, Germany
[tba](#)
- 14.50 **Anne Cliffe**, School of Medicine, University of Virginia, USA - online
[tba](#)
- 15.15 Coffee Break
- 15.45 **Paul Lehner**, University of Cambridge, UK
[Tba](#)
- 16.10 **Michaela Gack**, Lerner Research Institute, Cleveland Clinic, USA - online
[Tba](#)
- 16.35 **Farewell:** Thomas F. Schulz, Sebastian Suerbaum, Reinhold Förster
